29'er – Sean Kayser & Ryan O'Donnell

NSC Commodore's Cup
Outstanding Contribution to Racing Activities.
Greg Dargavel

Boole Construction Sportsmanship Award

The Boole trophy is awarded to a keelboat for tenacity and sportsmanship.

David Searle : “I would love to nominate all the people who towed *Panache* in and out of the harbour this summer, and all those who manoeuvred out of the way to give us a clear shot! Not sure how to list them all on the trophy, though, the list is probably half the sailing fleet!”

Vince Dynes : “I would love to nominate the person who picked up Peter Kitching and the other person after they fell off Ken Gow's boat, but it all happened so quickly, I don't know who it was. Not only did they throw their race to help out, but also showed great seamanship!”

Tracy Ross : “I don't know his name, but I would nominate the guy or guys that organized the Tanzer fleet to improve and get better engaged by to going out informally and do practice starts and coach racing!”

Cathy Kayser : “I know he has lots of people who help him, but David Searle stands out for all his enthusiastic and organized RC duty!”

Peter Juryn & Jeff Nelson : “This year at the U20 American Championships Chris Wilding was unable to compete due to crew issues. The first day of the regatta saw nukin' breezes where a competitor, Jim Pearson, lost his mast. Chris loaned the mast from his boat to Jim, who subsequently placed second in the regatta. Chris made himself available despite having family stuff going on, and Jim would have been out of the regatta on the first day....I believe he also donated a spinnaker to us and some boom ends to someone else”

One thing is clear – we have lots of examples of good and great sportsmanship here at NSC, but also very rarely do we recall who exactly. So we have one!!

Chris Wilding – Sportsmanship Award

Ottawa Women's Champion Overall (Mis-chief Trophy)
Woodjchuk – Marg Hurley & crew
